BENNU CULTURAL RENAISSANCE SERIES

COMMUNITY AMBASSADORS

LEAD THE REVOLUTION

What is an Ambassador?

Ambassadors are individuals, like you, that believe in the mission of the Bennu Renaissance and wish to help build the community! As a community liaison your role is to reach out to members of the community, learn about them and refers them to programs, courses or events that can enrich their lives.

We highly encourage you to use social networking sites, recruit within your circle of friends, and network with other professionals. Observe! Take notice! Yet remember the goal is to enrich the lives of others so make sure your efforts are about them and sensitive to their needs. Invite and lead by example so be sure to sign up for a class— that way you can give a first hand account of your own experience.

Why Be an Ambassador?

Ambassadors love people and our community and want to improve both. Become a resource and an inspiration for your elders, peers and juniors. Take pride in knowing that you inspired creative activity while growing your social network and developing your own cultural knowledge.

What do Amassadors Get?

- \$25 dollars for every five students who complete a course series
- Your picture featured on BennuCenter.com with a mini bio about you
- To preview courses and approve instructors and new programs
- To positively effect and represent your community
- First priority registering for all classes
